Next Maeve from
GOAL came and

much.

We decided to do a Sign
Campaign. We did some research.
Then we designed our posters.
We laminated them to protect
them from bad weather.

We went on a walk in our local area and we displayed 18 of our posters. We will take them down in one month.

On our way back
we were very happy
to see the donkeys
come over to give us
some encouragement. We
think they approve of
our work!
