

Clarifications for DUB-LGD-7805 – EOI for freight forwarding and customs

Clarification 2

17th January 2020

#	Question	Answer
1	<p>In the case study it is mentioned that the pickup location is from UK and the final destination is OWO state in Nigeria.</p> <p>We wish to clarify, who will be the shipper in this case , who will be the consignee and will the shipper be eligible for exporting , and registered with UK customs , similarly the will the consignee be registered with Nigerian Customs for imports?</p>	<p>For the purposes of this case study, bidders should assume that GOAL and partners have the required licenses to export the items from the UK.</p> <p>The consignee in this case study is the Nigerian Government Centre for Disease Control and therefore can be assumed to also be registered for import.</p>
2	<p>Also need clarification on item number 35, are they human samples?</p>	<p>For the purposes of this case study, please make the assumption that at least some of the samples will be of human origin.</p>

Clarification 1
