

Supplier Code of Conduct

In this Supplier Code of Conduct, reference to GOAL will include reference to GOAL in Ireland, GOAL (International) in the UK, GOAL US Fund in the US and all GOAL branches and/or liaison offices, as well as other entities established in programme countries from time to time (together, hereinafter referred to as “GOAL”). This Supplier Code of Conduct should be read in conjunction with the relevant contract entered into between the Supplier and GOAL (“Contract”), GOAL’s Terms and Conditions for Contracts for Procurement of Goods or Services (as applicable), and any other GOAL policy which GOAL may send the Supplier from time to time during the Contract.

Each supplier of GOAL (“Supplier”) is expected to comply with the following Supplier Code of Conduct and is responsible for requiring its employees and any subsidiary, subcontractor and any other third party that the Supplier may use to carry out its obligations under a contract entered into with GOAL (together, “Third Parties”) to abide by this Supplier Code of Conduct, and to provide a copy of this Supplier Code of Conduct to those entities and individuals.

The Supplier Code of Conduct applies to all Suppliers who are requested by GOAL to sign it and all Third Parties who must confirm that they uphold its standards as far as applicable to their status. GOAL recognises that reaching some of the standards in this Supplier Code of Conduct is a dynamic, continuous process and encourages Suppliers to continually improve their workplace conditions and ensure they have adequate systems and controls in place to monitor Third Parties to ensure compliance with this Supplier Code of Conduct. In line with the size and nature of their business, GOAL expects the Supplier to have management systems in place to support compliance with laws, regulations, and the expectations related to or addressed expressly within this Supplier Code of Conduct. GOAL encourages Suppliers to implement their own written code of conduct.
