SUPPLY OF FUEL UNDER FRAMEWORK AGREEMENT

S/No.	Question	Response
1	<i>With reference to Section 4 and Section 6 (pages 1 and 6), please clarify if fuel unit pricing must remain strictly fixed for the entire 3-year framework period, or if GOAL allows a fluctuating pricing model tied directly to regional pump price adjustments or Ministry of Energy index updates."</i>	Price chargeable shall be as per pump price. However, while quoting, indicate the currently prevailing price at the time of submitting the bid
2	What is GOAL's TIN	1000134517
